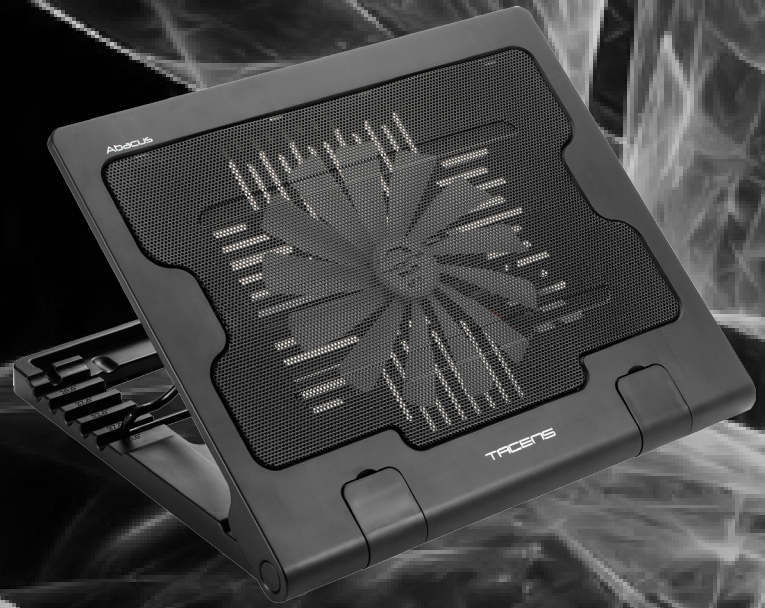
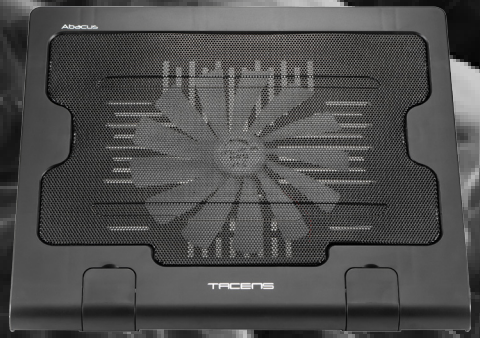
TACENS

ABACUS

NOTEBOOK COOLER





TACENS 180mm. fan included

TACENS Abacus is the perfect accessory for any desktop where you use a notebook up to 17 “.

It has two functions: cooling-stand with 6 steps tilt adjustment system to facilitate the use of any portable external keyboard and mouse, and maintain it optimally cool but quiet thanks to its 180mm fan.

TACENS Abacus is made of high quality components such as aluminum, steel and high strength ABS plastic for maximum durability.

Specifications:

- Notebook cooler with stand function.
- Aluminium base-grill for maximum cooling.
- Very resistant and high quality Steel and ABS plastic structure.
- 6 step selective tilt-angles from 0 to 40 degrees for improved ergonomics.
- 180mm Tacens ultrasilent (12dB) fan.
- 2 USB 2.0 ports.
- Compatible with notebooks up to 17”.
